

New Immigration Rules

Please be aware that there have been some major immigration changes in the new AEB funding guidelines for 2021/22.

Students who have not been in the UK/EU/EEA for the last 3 years can no longer study as home students unless they fall under the following categories:

- Refugee status
- Discretionary Leave to enter or remain
- Exceptional Leave to enter or remain
- Indefinite leave to enter or remain
- Humanitarian protection
- Leave outside the rules
- Afghan Locally Engaged Staff under the intimidation policy
- The husband, wife, civil partner or child of any of the above
- Section 67 of the Immigration Act 2016 leave
- Calais leave to remain

Unfortunately, this means that students who have previously studied with us (who may be on a spouse, family visa etc.) and who have not been in the UK/EU/EEA, cannot study with us as Home students until their 3 years in the mentioned areas have been completed.

If there is any change in the policy, we will keep you informed by updating this page.
