

Clearing Plan August 2024

Who Can Use Clearing?

- UCAS applicants who have not met the conditions of their **Firm First Choice** or **Insurance Choice**.
- UCAS applicants who no longer wish to take up their Confirmed place, because they have done better than predicted or just changed their mind.

You can release yourself into Clearing by clicking the **Decline My Place** button in your UCAS Hub. If you do this, you will lose your Confirmed place and cannot change your mind later. UCAS does have warnings on Track to make UCAS applicants aware of this.

Information for Students

Information regarding the Clearing Service at each campus will be on the NCC website.

You can email any UCAS enquiries to careers@ncclondon.ac.uk.

Timetable for Thursday 15 August

8:00am UCAS applicants will be able to see whether they have met the conditions of their offers or whether they are in Clearing on the UCAS Student Hub.

9:30am NCC face-to face Clearing service opens. Advisers will be at all sites except Havering Ardeleigh Green where the Clearing service will be offered virtually via email.

1:00pm UCAS applicants can add a Clearing Choice through UCAS Track.

4.30pm NCC face-to face Clearing service closes for the day.
