Welcome to our 2025 - 2026 international course guide. This guide gives details of our courses for people who want to study in the UK.

New City College is London's second-largest college, home to a diverse international student community. Located in the vibrant east of the city, close to London's financial and creative hubs.

Our college has very good success rates, with 88% of our students gaining admission to top UK universities last year. Students can choose from a wide variety of courses and enjoy an exceptional student experience, all while studying and living in one of the world's most exciting cities.

No matter which course you choose, our dedicated international team will be here to help you every step of the way, ensuring your course and accommodation are a perfect fit for your needs.

A-Levels (Advanced Levels) are two-year qualifications taken by UK students, typically between the ages of 16-18, to prepare for university entry. Students choose 3-4 subjects to study in depth, and assessments are based on exams and, in some cases, coursework.

In addition to regular lessons, students receive support from a personal tutor who monitors their academic progress and provides guidance on university applications. A-Levels are recognised internationally, so students can use them to apply to universities both in the UK and abroad.

Entry Requirements

- Aged 16-18
- English level of 5.5 IELTS in all skills or equivalent
- Online interview with an academic member of staff at New City College
- Have completed GCSE or equivalent in their own country
- Meet student visa entry requirements

London Accommodation Information 2025-26

We can arrange accommodation for students coming to London. This is organised by our partner [Barnes Educational Services](#).

Most students take homestay accommodation, which involves living as a member of the family in their own room, but residential accommodation can also be arranged.

Care of Students Under 18 years of age

The safety and security of all our students is very important to us. We pay special attention to those students under the age of 18 by using a Safeguarding Policy which:

- Requires all staff to complete Safeguarding Awareness training
- Arranges for all students under the age of 18 to have a regular meeting with a personal tutor.
- Makes sure that students are aware of UK licensing laws for the sale and drinking of alcohol
- Checks that staff and homestays accommodating students under 18 complete enhanced Disclosure and Barring Service checks
- Makes sure that all students under the age of 18 who want to join off-site excursions have a signed parental agreement to do so
